Summary

I am currently a senior at West Virginia University's John Chambers College of Business & Economics. I am majoring in Finance and minoring in Economics with an expected graduation date of May 2027. My studies have allowed me to build a strong foundation in financial analysis, investments, and economic decision-making. I am interested in opportunities where I can apply what I've learned in finance and economics to solve real-world problems and support smart business decisions. My goal is to grow my skills through hands-on experience in areas such as corporate finance, banking, and financial advising.
