Shane McCauley

Marketing Student at West Virginia University | Passionate About
Digital Strategy & Brand Building
Neptune, New Jersey, United States

Summary

I am a junior studying marketing at West Virginia University, graduation in May of 2027. I have hopes of working on the creative side of a business helping promote and thrive. Through my education I have found that I am passionate about working with creativity and determination. I excel working with a team and helping any problem in our path. I am looking forward to the journey of my career in marketing.
